Defendant.)	

ORDER

Before the Court is Magistrate Judge Whitworth's Report and Recommendation recommending that Defendant Zachary Scott Reed's motion to suppress be denied. (Doc. #81). Defendant filed objections to the Report and Recommendation arguing 1) Judge Whitworth's factual findings were incomplete; 2) Defendant's Fourth Amendment rights were violated by unlawful entry onto the back deck and subsequent field test of the glass flask found there; 3) the search warrant application was without probable cause; 4) the affidavit/search warrant application contained false statements and/or omitted material facts; and 5) Judge Whitworth "improperly discontinued" questioning regarding sworn statements in the search warrant application. (Doc. #86).

After an independent and careful review of the record, the applicable law, and the parties' arguments, the Court OVERRULES Defendant's objections, (Doc. #86), and ADOPTS Judge Whitworth's Report and Recommendation, (Doc. #81). Defendant's motion to suppress (Doc. #49) is hereby DENIED.

IT IS SO ORDERED.
